**26. GOLF CARTS:** and all other motorized vehicles require a valid driver's license to operate. Wheelchairs, etc., for people with disabilities are exempt. *USEF rule GR1301.7*

"Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule."

### **27. GR845 Equine Vaccination Rule:**

- At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine 103 manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
- In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
- In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

- In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

## **CDS PONY AWARD**

CDS has created a Pony Award. The high scoring pony at Training - Grand Prix (Freestyles excluded) at each CDS recognized show will receive a High Score Pony Ribbon.

The shows should:

1. Identify the high scoring pony on their CDS COVER SHEET.
2. ATTACH a copy of the USEF DRESSAGE pony measurement card.

The CDS Central Office will send out the award to the pony rider. All pony riders should inform show management that they would like to be considered for the CDS Pony Award.

To be eligible, all ponies must have a current USEF DRESSAGE Pony Measurement Card.

If the pony is measured at a show and receives a temporary show measurement, that measurement will be good for all CDS shows during that show season.

CDS will also offer a Year End Award to the Highest Scoring Pony in Open, Amateur and Junior Divisions.

## **Ponies**

Technical Delegates are certified to measure ponies with the USEF approved stick. Measuring must be performed by a TD, with the show veterinarian. In order to be officially measured, the pony must be entered in the competition. The owner must be a USEF member or pay a fee.

Dressage and/or DSHB competitions which offer classes or divisions limited to ponies are required to have an official measuring stick available and the TD must be on the Federation list of those approved to measure, or a licensed Steward must be present.

If classes restricted to ponies are not offered, the competitor is responsible for arranging the measurement and the cost of the on-call vet.

Adults and Juniors may show ponies in dressage. If you own a pony, read the entire section in the USEF Dressage Rules. [www.usef.org](http://www.usef.org).

CDS will accept temporary show measurements and the competitor may take that measurement form and use it for that show and any CDS show during the current show year. The USEF official DRESSAGE PONY measurement cards will be accepted as a valid card.

There are no courtesy, or trial measurements. Once the show officials place the stick on the pony, the measurement is final. Ponies must be re-measured annually until they reach the age of eight.

Your responsibility as a pony owner and or rider:

1. Know the rules. If you have any questions, call USEF.
2. If a pony class is offered at a show and your pony does not have a current measurement card, contact the show management to make sure they have an approved metric stick, and at the same time letting them know your pony needs to be measured prior to its class.
3. If you are in possession of a valid USEF DRESSAGE pony measurement card, then, simply enclose a copy of it with your entry.
