General Virtual WDAA Show Rules:

- Same rules apply as if you were at regular WDAA Horse Show – WDAA Rule Governed
- Online shows are available from a number of providers. All that meet the required criteria are eligible for WDAA show recognition.
- Videos of tests must be unedited from start to finish. They must be one continuous recording.
- After entering the arena, prior to beginning the test a sign must be held up showing the name of the show, date of the show and horse’s name. The sign must be held in the top right corner of the frame so it will not interfere with the view of the center line for the judge. Remove the sign just before beginning the ride. Designated upload sheet is the best way to get the correct information for the judge!
- Ridden tests may be submitted to ONLY ONE online show. A video of a test/ride from another competition that has already been judged must be eliminated. Any video suspected of having been filmed during another competition will not be scored.
- As soon as the test is finished, the camera must circle the horse and rider showing equipment and attire.
- Following equipment check, the rider will dismount and drop the bit so it can be recorded.
- The test must be videoed from C, where the judge would normally be seated.
- The test may be called. The caller is to be positioned at B or E.
- Coaching during the test is not allowed.
- The natural background sound for the test must be audible. Tests with no sound at all will not be accepted.
