

WDAGA PRESENTS: MUSICAL FREESTYLE “CALICO” CLINIC WITH ESTHER ROBERTS

Join us at Brandreth Farms on October 15th-16th for an “Introduction to Musical Freestyle Clinic”! Clinician Esther Roberts will introduce this component of Western Dressage to participants. Esther has been composing freestyles for over 20 years. She has multiple degrees in music and rides both classical and western dressage. Even if you never plan on performing a freestyle, this clinic will help you with rhythm, tempo, and your partnership with your horse. Riders will send a short video to clinician before the clinic so Esther can evaluate your horse’s gaits. We have 10 rider slots and 30 auditor slots. Price includes stalls for riders and lunch for all participants, including auditors. See pricing below! Register online at www.wdageorgia.org

WDAGA Member Rider: \$350.00

Auditor 1 day: \$30.00
