WDAA State Affiliates

Affiliates are the educational partners for a geographical area and provide great value to WDAA and to individuals seeking to participate in western dressage. There are currently 11 WDAA state affiliates: Alabama, Arizona, California, Colorado, Florida, Illinois, Massachusetts, Michigan, North Carolina, Oklahoma, Texas, Wisconsin. We encourage everyone to visit the affiliate page: www.westerndressageassociation.org/wdaa-state-affiliates/, which is linked on the WDAA home page and provides affiliate website and Facebook links. Although each WDAA affiliate can be incorporated in only one state, neighboring states that may not have enough resources to start their own affiliate can consider bringing members from your state to

join a nearby state affiliate. This has become a very successful way to extend western dressage camaraderie, experience, clinics, and shows to several different areas of the country. WDAA now has a State Affiliate Council in place. The Council comprises at least one member from each state affiliate, a staff member, and WDAA board member Lynn Shinkle. We all work as a team to assist in affiliates' promotional efforts, answer questions, exchange ideas, and any other way that provides guidance or assistance. Anyone interested in starting a state affiliate should contact WDAA at info@westerndressageassociation.org.

Show Manager Jon Haugen's Message

Welcome to the 2018 Western Dressage World Championships. I am thrilled to be returning a Manager, and to have the opportunity again to interact with a diverse group of horse lovers. I am humbled at how far reaching and amazing this journey has been and yet, it has only begun. Managing horse shows is a passion I truly enjoy, it's a chance to share in joyful and triumphant moments, commemorate growth and learning, and enjoy a common love. I am humbled to be associated with this community that builds upon Western heritage and respects Classical Dressage training. Having spent almost two decades around Classical Dressage and having grown up with Saddlebred and Morgan horses, I appreciate all of the diverse paths that have brought us here. We are brought together by the common purpose to honor the horse and dedicated to the harmonious partnership of horse and rider. Let's celebrate the American West and let the journey continue!

—Jon Haugen

Ellen DiBella SHOW CHAIRWOMAN

I've shown Morgan horses in Western Pleasure for many years and watched the judging change and not always for the better. Many of my horses got very bored with the round and round of rail classes, and as I look back, every one of those horses would have loved Western Dressage! I've been fortunate, recently, to have several participate in Western Dressage. The ability to progress at your own rate in building a partnership with your horse, along with the feedback from scores on each movement and judge's remarks, is just wonderful. Western Dressage opens a new world of possibilities to horses and riders. It is a great journey with wonderful company.

Cindy Butler, PRESIDENT

I am proud to serve the members of WDAA as President and I am proud of the WDAA members. Our members are some of the best people in the World and while our love for horses and our Western heritage brings us together, our dedication to humane treatment and honoring the horse and each other is what really makes us a family. I love how Western Dressage provides a method and a support system for any rider and any horse to learn and develop a harmonious partnership. We may be at different levels with different challenges, but we're all on the same road.

It is my promise to protect the integrity of our discipline with all that I am and to serve WDAA members to the best of my ability. As WDAA grows, we plan to continue our focus on education and providing excellent customer service to our members. If you are reading this, you have chosen to come to the World Show and will see the magic that happens at the show for yourself. I think this is my favorite show because when you come here, you get a feeling of finally finding the place where you belong, where everyone else is just like you. This is where every horse, every rider, every supporter and every volunteer is cherished. This is where we recognize and appreciate each others' journeys and celebrate how far we've come. The best part is that we do it together with respect for all.

Golf Cart *Rules of the Road* at the WDAA World Championship Show

1. DO NOT drive a golf cart on the pony path or on the land bridge. Please use the paved street. This is for the safety of our horses and mounted friends.
2. Speed limit is 5 mph in the barn and parking areas. 10 mph on the paved driveway.
3. You must be 16 years old with a valid driver's license to operate a golf cart. No exceptions. This is a USEF rule.
4. Golf carts are allowed to park in the paved and striped parking lots.
Please no parking on sidewalks or in fire lanes
5. Never tie a horse to a golf cart or lead a horse from a golf cart.
6. Whether on the street, in the barn area or the parking areas, horses have the right of way!

Lisa Blackstone **VICE PRESIDENT**

My journey has been dedicated to the growth of WDAA and collaboration throughout the equine community, especially with USEF. From its inception, my goal has been to introduce more people to this great discipline. My focus has been to help shepherd in the WDAA as the USEF affiliate. With the USEF support, we will enjoy more growth and have access to more promotion. We are proud to be in the USEF family!

Sharron Sarchet **TREASURER**

What drew me to Western Dressage was that the horses were happy in their work. I love the emphasis on harmony and cooperation between horse and rider. The fact that the people are warm and wonderful just makes the journey better!

Holly Clanahan

To me, Western Dressage is the perfect blend of traditions and ethics. I love being able to throw on my boots and jeans and a Wade saddle and work on classical techniques in a way that respects my horse's limitations and builds on her talents. I also love being on this journey with like-minded people, who above all else, are about honoring the horse, no matter the breed, no matter their diverse backgrounds. It's a discipline that brings people together.

Lynn Shinkle

My journey began April 29, 2008 with the birth of Bella, my home-bred part Arabian. She is now my partner, from riding down the center line, to riding the beautiful beaches of Northeast Florida. On my journey I have learned to ride—really ride! I've been a horsewoman for most of my life, but with the birth of WDAA and Bella, my knowledge is now much deeper ... I understand how horses move and how to move with her, not against her. This journey had introduced me to wonderful organizations that promote the horse in the form of GMO's, show organizers, and local clubs, but most of all, it's about people...horse people ... fun people ... we enjoy talking, learning, seeing and sharing Western Dressage! So here's to the journey ... may I be granted the wisdom to take time and appreciate all it has to offer!

Let me help you 
start your next chapter.

2017 Overall High Point Division Champions

Junior Rider High Point
Logan DeCoursey & Its Only Butter
77.800%

Logan DeCoursey is 15 years old and lives in Kingston Massachusetts with her mom dad and twin brothers. Logan always loved horses and began riding seriously at age 11 with Terri Hoy, owner and trainer at Horseplay Stables in Middleboro Massachusetts. Logan started in the walk trot divisions but her natural talent and dedication moved her up the levels quickly. Logan started riding Its Only Butter a 10 year old Palomino QH mare who belonged to Terri when she was 13 and the two of them became quite the pair. Together with her family and trainer Logan and Butter were making the trip to Oklahoma for the 2017 WDAA world championships! Their hard work, passion and dedication paid off as the team earned 3 world championship and 1 reserve title. They were Junior Rider High Point and Butter was the overall highest scoring QH at the show. The experience was a once in a lifetime memory for Logan that she will always cherish.

Amateur Rider High Point
