# “Laissez les bon temps rouler”

---

Hey Y'all,

If you didn't experience our show last year....y'all missed a good time. The Alabama Arabian Horse Association and the Louisiana Arabian Horse Association proved that sometimes a combination or a joining together for one common goal .....just may be the right way to go.

We had a very well put together schedule for main ring, sport horse, dressage and hunter jumpers. Last year we hosted a Region 11 Off Site Hunter Jumper Championship show but this year it will be the Region 9 Off Site Hunter Jumper Championship Show.

We had the "traditional pizza welcome party", the famous "Charles Mosely Margarita/Mexican Party", the "Louisiana Seafood Party of shrimp, crawfish and all the extras that go along with it" and last but not least the "Infamous Bar-B-Q Spread". It was like winning the Louisiana Lottery or the PowerBall with all the food and a schedule full of classes.

So, we are personally inviting you to come and experience a great show and a good time.

Now as I stated above "Laissez les bon temps rouler" (pronounced lay-say le bon tom roo-lay) and the response to that would be "Oui cher".

Translation in English of the above Cajun French phrase :

***“let the good times roll” ..... “Yeah, you right”***

Hope to see y'all in West Monroe at the Ike Hamilton Expo Center for the

Horses registered in a farm/ranch/syndicate/partnership/corporation name may be shown in Amateur Owner classes provided the family is the sole owner of the farm or entity as defined by AR110.4.d.e.f. The sale of a horse does not eliminate this registration requirement. (Contracts of Sale or Bill of Sale will not be accepted in Owner classes.) b. Every competitor must be an amateur and the owner, or an amateur member of the owner's family (exception: substitute rider in AAOTR/AOTR/JOTR Working Hunter classes, refer to AR165.3). c. Owners' classes may be restricted to riders, drivers or handlers who are no longer eligible to compete as a junior exhibitor. d. Two distinct non family owners may co-own a horse and show that horse in Junior Owner or Amateur Owner classes except that no family member of a professional may enter into this relationship. 'Non family owners' are defined as two distinct individuals who are not related as family as defined by the Federation or Equestrian Canada. 2. A Horse that is co-owned by the two distinct non family owners must be registered with Arabian Horse Registry of America, Half Arabian Horse Registry, Anglo Arabian Horse Registry, Canadian Arabian Horse Registry or Canadian Partbred Arabian Registry, or other registry approved by the Arabian Horse Association as an "and" ownership relationship. An "or" ownership relationship does not enable two distinct non family owners to show in Junior Owner's or Amateur Owner's classes. 3. The right to show horses in Junior Owner or Amateur Owner classes when there are two distinct non family owners registered as the owners of said horse, does not extend to the family of these distinct non family owners. 4. In order to show in Junior Owner or Amateur Owner classes both distinct non family owners must be members of the Federation or Equestrian Canada and hold valid amateur cards or be juniors or a combination of amateur and junior. 5. Both distinct non family owners must be individuals, no Farm or Corporation co-owned horses are eligible. 6. Horses co-owned by more than two distinct non family owners cannot be shown in Junior Owner or Amateur Owner classes. 8. If the co-ownership relationship is terminated, that horse is not eligible to be co-owned by another distinct non family person for the remainder of that show year as defined by the Federation. The remaining owner and their family members are eligible to show in Junior Owner or Amateur Owner classes. 9. A horse that is co-owned by the two distinct non family members cannot be shown in a Maturity and Jackpot classes at any AHA National Championship show. © USEF 2023 AR - 19 10. An individual member may only enter into two distinct co-owner relationships and compete with these arrangements in Junior Owner and Amateur Owner classes at Federation/EC approved shows. Arrangements with other individuals, same or otherwise, for purposes other than competing in Federation/EC approved show in Junior Owner and Amateur Owner classes, are not impacted. f. Leased horses are not eligible. (Contracts of Sale or Bill of Sale will not be accepted in Owner Classes.)

In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse. If competition management so authorizes treatment under the provisions of this rule, competition management and veterinarian are not liable for any resulting costs, damages, losses, claims or actions arising directly or indirectly from the treatment of the horse. A farrier will be available for exhibitors. We ask that you use the services of the show farrier. All other farriers must check in with the show manager prior to seeing any customers. They must get permission to work on the show grounds and pay a vendor fee. First aid treatment will be available at all times during the performance and an ambulance will be on call.
44. **Judges:** All classes will be judged by two judges as a concurrent show, with one judge qualifying an exhibitor for Region (9) and the other judge qualifying the exhibitor for Region (12). This show will be judged according to the single judge system. (When adjudicated concurrently in a single arena utilizing two judges with placings for each judge, it is still judged according to the single judge system.) In the event of illness or failure of a judge or any other official to attend this show or to perform his duties, the show committee reserves the right to substitute an official for the one officially designated in the prize list, according to USEF rules.
45. **LEVELING PROGRAM** – When Leveling classes are offered a rider may enter their appropriate level or opt to enter a higher level instead. This show will allow exhibitors to enter their appropriate achievement level OR any higher level, all appropriate qualifications would be required, if applicable. Riders who are deemed Choice by their leveling points may not level down to Select. In addition, Elite riders may not level down to Choice or Select. In Working Western Classes where levels are run concurrently, a show may elect to allow riders to enter up (not down) in all levels in which appropriate qualifications and entry fees are applied in any circumstance. It is the rider's responsibility to enter the correct level and must submit their AHA leveling records with their entry form. For more information on the leveling program see the AHA Handbook. If you have questions about your level see the AHA website: [https://www.arabianhorses.org/export/content.export/aha-docs/Achievement\\_Leveling\\_101.pdf](https://www.arabianhorses.org/export/content.export/aha-docs/Achievement_Leveling_101.pdf)
46. **USDF Statement on Animal Welfare** The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals. Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved. The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival. As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training. 47. **Attention Dressage Competitors:** Each competitor is responsible for supplying to management with correct association numbers (USDF & USEF) for the horse, owner rider, and trainer before the day(s) of the Competition. (*Trainers not required to have USDF numbers*) The scores of the competitors who fail to supply correct numbers may not be counted toward national awards.  
**Dressage fees are nonrefundable once ride times have been posted.**

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2023**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

#### Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

#### Memberships Defined

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
