### ENTRY REQUIREMENTS - Need to know information

**ENTRY** is to be made via email using the form in this Prize List. Make certain you have updated your Adobe Reader. Please double check all numbers you type in are accurate.

**FORMS:** Download the forms & save. Using the tab key, navigate through the fields. (You can manually move your cursor as well.) Enter your class number and the fee for the class. The form will calculate the fees as you enter. When completed, save this form and attach to an email to [peprmntpatii@q.com](mailto:peprmntpatii@q.com). The Entry Form is one horse per form but if you own another and are entering it, save a copy of the first form (title file with horse name) and just overtype the horse info, classes entered and change the rider information if different. No need to re-enter owner, trainer, etc. Save this form with the new horse's name to attach to the email. Repeat as needed. In other words, overtype any fields you need to, the others will save. "Saving" is the key to success.

**SIGNATURE PAGES** are required to be emailed with the entries. Be sure to sign for all involved. As stated on the forms, electronic signatures are binding. The normal back of entry form, AHA/USEF release: each owner, trainer, rider, and parent/guardian for a minor owner, trainer or rider.

- 1) The entry form, front and back with all signatures
- 2) The USEF Waiver of Liability: **EACH** owner, trainer, rider, and parent/guardian for a minor owner, trainer or rider person on the entry form must sign and send their own form. If you are the owner, trainer and rider, then one form.
- 3) **New this year: A parent or guardian signing for a minor who is on the entry form as the TRAINER of the horse must be a USEF Competing member AND be current on Safe Sport Training.**
- 3) A completed qualification form unless you are only entering classes which do not require qualification.
- 4) Only one person in your group should send a stabling form.

**MEMBERSHIP CARDS, HORSE PAPERS:** Copies of AHA, USEF cards and horse papers do NOT need to be sent. A "Competition" AHA membership is required for everyone (including Walk/Trot riders) at this Regional Championship Show. A "Competing" USEF membership (except Walk/Trot 10 & under riders) is required or a Non-Member fee of \$45 will be required. A USEF Show Pass must now be purchased on line at USEF and is limited to one per year per person. All adult riders entering amateur classes must have amateur certification and therefore a competing membership. My software searches AHA & USEF: I'll be checking for Amateur Certification AND that Safe Sport Training is current. Junior exhibitors who are 18 years of age must also complete Safe Sport. See more about Safe Sport and Canadian Amateur riders in General Rules. Copies of registration papers are not required; just make certain you enter numbers correctly and HA/AA numbers must be preceded by 1A, 2A etc. The owner(s) on the entry form needs to match the owner(s) on the horse's papers. If purchasing on contract or leasing, include that agreement. If competing in Western Dressage, a WDAA membership is required for the owner, trainer and each rider or a non-member fee of \$35 must be paid.

**PAYMENT:** Checks or PayPal. A 4% user fee will be added to your entry amount and the entry form will calculate it for you. Payment is due the same day the entry is made whether by PayPal or check. If payment is not received within 7 days of entry, a \$20 fee will be added to your entry.

**QUALIFICATIONS** are required for many classes. See page 22 for exceptions and links to AHA qualification details.

**Phone if you need help or have questions: 253.279.6722**

**USDF Membership Benefits:** USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at [www.usdf.org](http://www.usdf.org).

**This  
competition  
is recognized  
by USDF  
for 2023**

**Membership Requirements for USEF-licensed/USDF-recognized Competitions:** Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

**Exceptions:**

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

# USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
