Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed, and judging will commence. e. A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e. two to four horse or horse and buggy lengths in between). f. ## WDAA MEMBERSHIP

A USEF/WD rule change went into effect December 1, 2021, concerning the requirement for WDAA memberships at USEF-licensed shows offering western dressage classes. The new rule WD102.8 states, "To be eligible to participate and/or compete as an exhibitor, owner, lessee, agent, coach, or trainer in any Western Dressage class or at any Western Dressage Federation Licensed Competition persons must be active members of WDAA or pay a non-member fee equal to the price of an annual membership for each competition."

This rule change means that breed shows must now verify WDAA memberships for exhibitors, owners, and trainers exhibiting in western dressage classes.

**If an exhibitor, owner, lessee, agent, coach, or trainer is not a WDAA member, they have 2 choices:**

- Join or renew online at [www.westerndressageassociation.org](http://www.westerndressageassociation.org) or join through the show by filling out a WDAA membership form completely and submitting payment through the show office \$45 for adults and \$30 for juniors.
- Pay a non-member show pass fee \$45 for adults and \$30 for juniors (junior members are as defined by USEF Rule GR128).

**Joining WDAA instead of paying a show pass fee is a better value for you!**
