As long as COVID is considered a Pandemic by the CDC, we will follow the most up-to-date COVID mitigation guidelines. And, so long as US Equestrian Federation requires competitions to follow their COVID directives, this show will implement a "COVID-19 action Plan". The plan includes protocol that USEF has directed shows to implement, as well as other precautions show management is implementing to help mitigate the spread of disease. Your entry and participation in this show are predicated on your agreement to follow and abide by the protocols as outlined and provided by show management. Protocols and guidelines are subject to change. The most recent requirements will be emailed prior to each competition and posted on the show grounds.

GENERAL COVID PROTOCOL: We plan to implement several modifications to the shows to facilitate physical distancing, including, but not limited to:

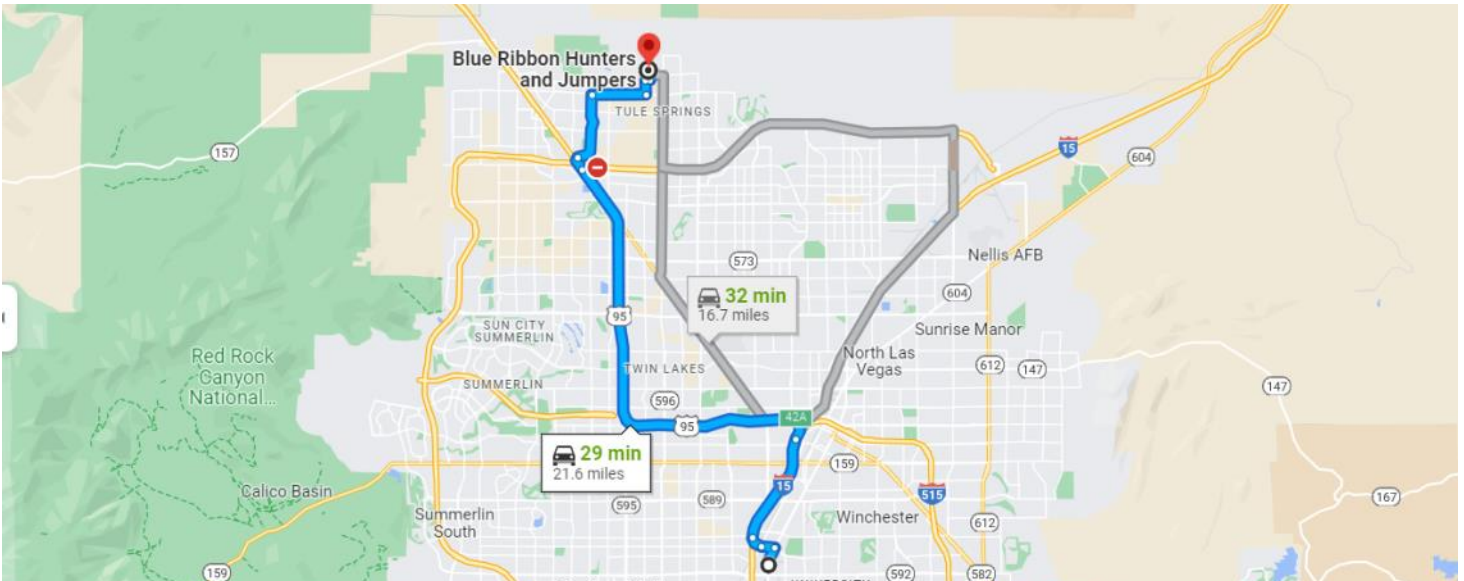

- Prior to the show, please check your entry confirmation and provide any items needed to complete entry. Entry must be COMPLETE prior to competition.
- Number packets will be on a table outside of office.
- Face coverings or masks should be carried by all on show grounds to use when in areas that distancing is not possible.
- Scoring is live streaming to FoxVillage.com and at the show office. Tests will be available for pick up on table out side of show office.
- Prepackaged snack foods and water will be available complementary, throughout show.

SHOW CANCELLATION POLICY

Please be aware of our show's good faith cancellation policy.

- Factors outside of show management's control may cause a show to be interrupted, stopped or cancelled. Factors include, but are not limited to, human communicable disease, equine communicable disease, directive from USEF, or other. If a show must be cancelled in advance due to reasons outside of show management's control, management will execute a good faith refund policy.
- If show management deems it necessary to cancel a show for any reason in advance of the competition, submitted entry fees will be handled as follows: * Organization fees (USEF, USDF) - refunded in full * Stabling fees—refunded in full * Show management will endeavor to refund to entrants as much of their show fees as possible. * Office Fees— not refunded.
- Shows are held "rain or shine". No refunds are given for any of the following weather conditions: heat, cold, rain, wind, lightning, air quality or other environmental conditions. Conditions may cause interruptions or show stoppage due to safety concerns. WESTERN DRESSAGE ASSOCIATION

OF AMERICA

Therapeutic Riding Guidelines for WDAA EXCEPTIONAL RIDER TESTS

1. This class is for riders with special needs (not limited to physical disabilities only). Classes may be split between youth and adult if entries warrant.
2. Tack and Apparel: Western tack and attire may be used. Specific equipment needed for adaptive use to assure safety is permitted. A description of the adaptive equipment must be listed on the entry form with rider information.
 - a. No chain lead ropes are permitted. The lead rope may be attached to the noseband of the bridle or a halter or cavesson that is properly fitted and worn underneath or over the bridle. Under NO circumstances may the lead rope be attached directly to the bit. Attaching the lead rope to the bit will result in immediate disqualification.
 - b. An ASTM approved riding helmet must be worn by riders at all times while mounted or on ground accompanying any equine.

3. Rider Assistance:

Leadline Tests:

The rider may have a leader and up to two side-walkers as required for the safety and security of the rider. These assistants must be approved by the instructor/owner of the horse. Assistants will not be provided by the show location and must have signed show grounds waiver.

- LEADER: The leader must safely control the riders mount. They may guide the horse and must maintain safe control of the mount at all times. They are not permitted to pull or tug the horse in any direction unless for safety reasons. Leaders are permitted to help the rider guide the horse, if they are physically incapable of doing so. The leader may not give any coaching towards the rider, their job is to have complete control of the mount.
- SIDEWALKER: Each sidewalker must stay at the seat position of the rider while the rider is mounted. Their job is to ensure the riders balance and safety. They are permitted to keep physical contact with the rider for assistance and safety. The sidewalker is not permitted to physically touch the horse for any "push" or forward movement. One sidewalker is allowed to coach the rider while mounted if there is no COACH present in the arena.
- COACH: A coach is permitted to call the test and help give direction from either letter E or B at the side of the arena.

Coached Tests:

The rider may have a coach but NO leader or sidewalkers in order to ride in the "Coached" level therapeutic western dressage tests. The coach must be an instructor of the rider and must have signed a show grounds liability waiver to participate.

- COACH: A coach is permitted in the arena with the rider and mount to assure safety of the rider and to help guide and focus the rider. The coach must be at least ten feet away from the rider while performing a dressage test. The coach is only permitted to physically help the rider or horse if there are safety concerns or the rider is having physical inability to finish the test. The coach may help the rider with verbal guidance and encouragement.
4. Coaching is allowed by the instructor, coach, or sidewalker ONLY.
 5. Reins may be attached to the bit, bit-less bridle, side rings of the halter, bosal, or sidepull. Reins may or may not be attached to the bit depending the rider's ability. Rider must keep control of the reins to the best of their physical ability.
 6. Rider must make an effort to keep his/her feet in the stirrups at all times unless they do not normally do so by instruction. Adaptive footwear is allowed but must be listed on entry form.
 7. Disqualification: At the judge's discretion, the rider may be disqualified in the event that the judge feels that there is a safety issue. This includes but is not limited to: if the horse has an obvious illness/ lameness issue, unsafe tack or equipment, is unsportsman-like, or any other reason the judge seems fit.
 8. A liability release must be signed at each individual show grounds.
 9. JUDGING: Horse and rider will be judged on
 - a. Connection of rider and mount. How well is the communication between the rider (at the best of their abilities) and how does the mount respond to the connection and communication of the rider.

I understand and acknowledge that activities involving horses ("Equine Activities"), including but not limited to the mounting, riding, walking, dismounting, grooming, training, handling, feeding, and otherwise being in the physical proximity of horses is a dangerous activity which produces a foreseeable risk of mortal or serious personal injury and/or property loss to the participant in such activity as well as to the person or property of others; and WHEREAS, I understand and recognize and warrant that this Release, Waiver of Liability and Indemnity Agreement ("Release") is being voluntarily and intentionally signed and agreed to, and that in signing this Release I know and understand that this Release may further limit the liability of equine professionals to include any activity, whatsoever, involving horses, including death, personal injury and/or damage to property. WHEREAS, I recognize and agree that the equine professional(s) at SVE has/have made reasonable and prudent efforts to determine my ability to engage in the "Equine Activity", and has/have sufficient knowledge of my equine and horseback riding skills as for me to relieve, release and hold harmless said equine professional(s) from any continuing duty to monitor my Equine Activities.

NOW THEREFORE, in consideration of being granted access and/or use of the facilities of this show and for other good and valuable consideration, receipt of which is hereby acknowledged, I agree as follows:

1. Assumption of the Risk. I hereby assume full responsibility for, and risk of, any death or bodily injury to myself or others (including, but not limited to, those matters set forth in the above recitals) and damage to or destruction of my property or the property of others, caused by my engaging in any Equine Activity either on the premises or elsewhere while working with an equine professional, unless such bodily injury or property damage is attributable in full or in part to the gross negligence of Devin EquiSport Productions (DEP) or any of its associates. My responsibility includes, but is not limited to, payment of (i) medical costs for myself and others that I may have injured, (ii) costs to replace my own property or the property of others that I may have lost, destroyed, or damaged, and (iii) damages for other non-medical and non-property items such as pain and suffering and lost wages, etc.

2. Release, Waiver of Liability, and Discharge of Claims.

a) I hereby release, waive, and discharge any and all claims that I may now or in the future have for damages against DEP including its owners, occupants, tenants, subtenants, licensees, employees, officers, directors, or agents and the respective affiliated entities or persons of any one or more of them, arising directly or indirectly from my death, the death of any other person, bodily injury to me or others, or damage to my property or that of others, attributable to my engaging in Equine Activities, or my presence on these show premises.

(b) I acknowledge that DEP requires me to wear AHSA approved headgear with a chin strap while jumping and requires me to wear a safety helmet while riding. I understand and acknowledge that the risk of head injuries and death are significantly reduced by wearing appropriate headgear. I hereby release, waive, and discharge DEP, including its owners, occupants, tenants, subtenants, licensees, employees, officers, directors, or agents and the respective affiliated entities or persons of any one or more of them, against any and all claims that I may now or in the future have for damages resulting from my failure to wear headgear while riding either on the show premises or at an offsite facility.

(c) This release is intended to release, waive and discharge, in advance, DEP, together with its owners, occupants, tenants, subtenants, employees, officers, directors and their respective affiliates or persons of any one or more of them, from and against any liability arising out of or connected in any way with my or my guests or invitees engaging in any Equine Activities on the premises or in any activity in which an DEP representative is required to attend on my behalf, and/or my or my guests or invitees presence on the premises, even though such liability may be attributable, in full or in part, to the negligence, recklessness or misconduct of one or more of such persons or entities.

(d) Medical Authority. I, (participant, or if minor, parents/guardians) hereby grant permission and authority to DEP, its officers and authorized employees to act for me in executing verbal instructions or if unable to contact us, to act for us in dealing with physicians, available ambulance companies and hospitals, to obtain prompt medical attention for the person named above in the event of any perceived medical emergency. I hereby covenant and agree to release DEP its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them, and hold harmless from liability connected with obtaining prompt medical attention for the person named above.

(e) In accordance with such release, waiver, and discharge, and in consideration of being allowed to utilize and/or visit the facilities, I promise not to sue or demand any money or anything else of value from DEP, including any of its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them.
