GR844 Equine Vaccination Rule

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee

WDAA Horse Lifetime Performance & Award Program

WDAA supports a Lifetime Performance & Award Program (WHL PAP). This is a point-tracking system awarding cumulative milestone achievements to horses competing in Western Dressage. Enrolled horses earn points by competing in tests and rail classes at WDAA recognized shows. Class placings and percentages are converted to a point system, which follows the horse as they travel up the levels on their journey.

The program was designed to be approachable and realistic for every horse and rider, regardless of their stage of training. The Lifetime Performance & Award Program follows the WDAA mission statement, values the partnership between horse and rider, and encourages a systematic education developing both the physical and mental abilities of the horse. The program does not require extensive travel nor significant financial investment; instead rewarding training, participation and performance. Points follow the horse and transfer to new owners.

The result is a record system celebrating attainable goals that further the relationship of horse and rider within the Western Dressage system. It's all about the Journey - from your first show, to your WDAA Register of Merit, to WDAA Supreme Champion. Get started by visiting our WHLPAP page at: <https://wdaalifetimepoints.org/>
