RANCH HORSE

Classes will be conducted in accordance with the Ranch Riding Section, Chapter WS with the following exceptions: 1)hoof black, trimming of the bridle path, fetlocks and facial hair, and roached manes ARE permitted.

The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and cadenced at all gaits.

RANCH PLEASURE: Horses will work as a group on the rail and will be asked to perform the required maneuvers only.

RANCH RIDING: Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100 with 70 denoting an average performance.

High Point Champion awards are based on the same horse/rider combinations, calculated on a point basis from the highest placings in the two classes offered. You will automatically be entered in the Championship, no need to enter on the entry blank.

Ties for first place may be worked off using the same pattern, order of go and scoring technique as was used

in the event; however, there will not be more than one work off. Ties for champion or reserve champion will go to the higher placing horse/rider combo in the Ranch Riding. Show Management may identify maneuvers where the high score of those maneuvers may be used to break tied scores. If tied Scores are not broken, entries will be awarded the same placing and prize money (if any) for the tied placing(s) involved will be added together and equally split between the respective exhibitors
