USDF - STATEMENT ON ANIMAL WELFARE The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals. Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved. The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored

to assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival. As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training. Combined ownership is permitted in Junior Owner's or Amateur Owner's classes under the following conditions: Two distinct non-family owners may co-own a horse and show that horse in Junior Owner or Amateur Owner classes except that no family member of a professional may enter into this relationship. 'Non-family owners' are defined as two distinct individuals who are not related as family as defined by US Equestrian or Equestrian Canada. NOTE: USEF Definition of family is:

For ownership by the same family, the term family includes the following: spouse, parent, step-parent, child, step-child, brother, sister, half brother and sister, aunt, uncle, niece, nephew, step-brother and sister, grandparents and grandchildren, and in-laws of the same relation as stated above. Both distinct non-family owners must be individuals, no farm or corporation co-owned horses are eligible. Horses co-owned by more than two distinct non-family owners cannot be shown in Junior Owner or Amateur Owner classes. If the co-ownership relationship is terminated, that horse is not eligible to be co-owned by another distinct non-family person for the remainder of that show year as defined by US Equestrian. The remaining owner and his or her family members are eligible to show in Junior Owner or Amateur Owner classes. A horse that is co-owned by the two distinct non-family members cannot be shown in a Maturity and Jackpot classes at any AHA national championship show. An individual AHA affiliate association/club may elect to not allow horses that are co-owned by two distinct non-family members to compete in classes designated for Amateur Owner or Junior Owner for which they offer prize money, Futurity, or other restricted classes with payouts greater than \$2,500. An individual member may only enter into two distinct co-owner relationships and compete with these arrangements in Amateur Owner or Junior Owner classes at USEF/EC-approved shows. Arrangements with other individuals, same as otherwise, for purposes other than competing in USEF/EC-approved shows in Amateur Owner and Junior Owner classes, are not impacted.

This competition is recognized by USDF for 2023

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM Identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition; horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF introductory level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. (There are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

HALTER/BREEDING & IN-HAND

The Arabian Horse Association of Arizona has implemented rules for the paddock and entry area for all Halter classes. These rules will be strictly followed. EFFECTIVE IMMEDIATELY, one person per class will be designated to assist with the entry of the Halter classes. Only that person will be allowed to use any sort of device to enhance the performance of the Halter horses. The designated person will be provided a whip with appendages that can be used to enhance the Halter horses in the paddock area. No other devices will be allowed. No one, including the designated person, will be allowed to hit or use any other objects, such as trash cans, walls, plastic signs, etc. to make additional noise. Additionally, no one will be permitted to use plastic or paper bags of any type or size in assisting with entrance into the Halter arena. Should this rule/policy be violated, the person violating the rule and the handler and/or trainer associated with the person violating the rule can be subject to sanctions. The gate will close when final horse has entered. All horses will be called to walk, horses will be judged at the walk. Upon completion of walk Judges will then begin individual judging of horses. Only the next horse on deck is allowed to school. After all horses have been presented in center ring there will be a 5-minute final review of the horses on the rail (it is not mandatory that the judges do a final review). See general conduct according to USEF rules. Because the Arabian Scoring System is not utilized, the Scottsdale Classes will not be recorded by AHA. As such, placing in halter classes not using the Arabian Scoring System will not earn points for any AHA programs (i.e.: Qualification Points, Sweepstakes Points, Achievements Award Points, etc.). All halter classes will be held using the Scottsdale Comparative Scoring system using Three Judges. Five-Judges or the Arabian Breeders World Cup Scoring System (see individual sections for scoring system used). ADMISSION TO RING - There will be an

SCOTTSDALE ARABIAN HALTER

These classes will utilize the Scottsdale Comparative Scoring with the three (3) or five (5) judges. Horses will enter the arena in-hand at a trot, guiding in a counterclockwise direction. Each horse shall trot in one at a time and shall proceed at the trot until reaching its designated position in line as directed by the ringmaster. The judges and show management at their discretion may omit the walk on a loose rein from the BC halter classes. In the Scottsdale Arabian Yearling and 2-year-old classes if entries warrant will be split by age into two separate classes. Entries in Scottsdale classes may cross enter in the International Breeder Division.
