The Equestrian Canada Federation (EC), the national federation of Canada, supports adherence to humane treatment of horses in all competitions under its jurisdiction. The EC is committed to:

- Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.
- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never be subjected to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation, and safety as a matter of standard operating procedure.
- Continuing to support scientific studies on equine health and welfare.
- Increasing education in training and horsemanship practices
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.
- Reviewing, revising, and developing competition rules and regulations that protect the welfare of horses.
- The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibiting procedures, would determine to be cruel, abusive nor inhumane.

THE RULE BOOK

Exhibitors, Judges, and Show Officials are responsible for knowledge of the Rules. Both a complete knowledge of and compliance with the rules are essential, and all participants must be fully cognizant of all rules as well as class specifications in the division in which they compete. Full details of Horse Show operation - EC (including FEI) rules - list of recognized Judges - other vital information is in the RULE BOOK copyright for exclusive use of recognized shows. [See current EC Rules and Amendments.](#)

Passports are **not** required in a recognized "Breed" competition.

Person Responsible

The Person(s) responsible (PR) for a horse must be an adult who has, or shares responsibility for the care, training, custody, and performance of the horse and who has official responsibility for that horse under EC Rules. The PR is liable under the penalty provisions of the applicable EC Rules for any rule violations. Every entry form for an EC sanctioned competition must identify the PR and be signed by the PR.

The Person(s) responsible is ultimately responsible for the condition, fitness and management of the horse and is alone responsible for any act performed by himself/herself or by any other person with authorized access to the horse in the stables, elsewhere on the grounds, or while the horse is being ridden, driven or exercised.

A: For adult entries into EC sanctioned competitions the PR shall be either the trainer, the owner of the horse of the competitor who rides or drives the horse during the EC sanctioned competition. Section A Page 101

B: For Junior entries into EC sanctioned competitions the Junior competitor cannot be the PR. For Junior entries the PR may be either the trainer, the owner of the horse, or a parent/guardian of the Junior competitor.

It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC and the additional rules, if any, imposed by the competition. Do not participate in this EC- sanctioned competition in any capacity if you do not consent to be bound by the constitution and rules of EC and any additional rules imposed by the competition.”

EC Coach Status Requirements

In 2023, minimum Coach Status requirements will be enforced at all EC-sanctioned events. Recognizing some coaches will not have completed their EC Coach Status requirements when enforcement begins, the EC Board approved Temporary Coach Status (TCS) for the 2023 show season. **Temporary Coach Status (TCS) will come into effect on July 1, 2023.**

TCS applies to Canadian-residents coaching one or more athletes at any EC-sanctioned event and who do not meet minimum EC Coach Status requirements as listed below:

| EVENT SANCTIONING | MINIMUM Coaching Requirement in 2023 |
|-------------------------|--------------------------------------|
| EC Bronze and/or Silver | EC Registered Coach Status |
| EC Gold and/or Platinum | EC Licensed Coach Status |

Currently, **EC Coach Status requirements are only for those whose primary place of residence and coaching practices are within Canadian borders.** Those whose primary place of residence is outside of Canada are considered International Coaches and are exempt from EC Coach Status requirements at this time.

The **TCS fee** is determined by the event sanctioning level and the individual coach's EC Coach Status. **TCS is valid for one (1) EC-sanctioned event only.** The TCS fee will increase annually until it is retired at the end of 2025.

| EVENT SANCTION | Temporary Coach Status Fee 2023 | | |
|-------------------------|---------------------------------------|-----------------------------|---------------------------|
| | I do not have a valid EC Coach Status | I am an EC Registered Coach | I am an EC Licensed Coach |
| EC Bronze and/or Silver | \$100.00 per event | Not applicable | Not applicable |
| EC Gold and/or Platinum | \$100.00 per event | \$25.00 per event | Not applicable |

EC Forms link

Coaches **without** minimum coaching requirements must complete a TCS Form and submit this to the show office with appropriate payment. **The show office will not issue numbers to athletes of any coach with insufficient coaching status until the TCS form and fee has been submitted.**

The TCS fee may not be added to a trainer split or applied to one or more athletes' show bill without written consent from those included on the split and/or bill(s). This fee is to be incurred by the coach and not the athlete(s).

Q & A R17 website

See the Region 17 Prize List Page for a detailed Q & A

Border Crossing

With a few simple preparations, it is easy to cross the border. **People need a valid passport.** Covid tests and vaccinations are **NOT** required.

For horses, **vaccination requirements are the same as USEF-licensed competitions a valid Coggins (Equine Infectious Anemia (EIA)) test.** "All horses attending EC sanctioned competitions must have been administered Equine Influenza and Equine Herpes Virus (1 and 4) vaccinations within six (6) months (+21 days grace period) before arrival at the competition. No horse shall have received vaccination within seven (7) days prior to arrival at the event."

USDA website with link to Health Forms

A United States origin Health Certificate is required. It must be issued by a veterinarian no more than thirty (30) days prior to export.

A single health certificate can be used for multiple-horse consignments if all of the following provisions are met:

a. All horses must be from a single consignor, they must be consigned to the same destination, and they must come from the same premises of origin.

b. All horses must have current EIA test charts, and these charts must be attached to the health certificate. These charts must have accurate drawn descriptions of the horse, adequate to unambiguously identify the animal and link it to the certificate

c. All horses must be identified on the health certificate with a written description.

You may wish to check in with American Customs and provide them with a list of your tack and equipment before proceeding to Canada Customs. This is entirely optional, but could save some time on your return.

A Canadian Border Services agent will inspect your papers on arrival.

U.S. origin horses exported to Canada with a U.S. issued export health certificate (valid for 30 days from the date of inspection) may re-enter the U.S. for an unlimited number of times during the 30 day period **without** an USDA Veterinary Services port inspection. The importer must present the original export health certificate to customs at a land border port of entry designated for animals from Canada.

Horses entering Canada temporarily for competition do NOT require a "Border Bond" or security deposit

CBSA Memorandum D8-1-1

It is common for third party importers to reference a 'border bond' when importing horses into Canada.

This is NOT required for horses imported temporarily for competition.

Refer to Canada Border Services Agency **Memorandum D8-1-1.**

"Horses

107. Horses and other equines imported temporarily for pasturage, competition, training or breeding qualify for customs duty free entry under tariff item No. 9993.00.00 and are non-taxable for the purposes of the GST/HST under the Non-taxable Imported Goods (GST/HST) Regulations and Item 39 of the Schedule to the Temporary Importation (Excise Levies and Additional Duties) Regulations. These provisions apply whether the importer is a resident or a non-resident of Canada.

108. Unless the inspecting officer has reasonable cause to believe that the horses will not be exported, the requirement to document the horses on a Form E29B and post a security deposit is waived. However, the importer must present any documentation required by OGDs" (Other Government Departments - such as the Health information described above.)

It is recommended you bring a copy of the Prize List and a copies of your entry forms as evidenc of temporary import for competition.

The Washington State Department of Transportation website provides excellent resources, including links to current border wait times and links to state-wide traffic cameras to check current conditions.

ARTICLE A519 VACCINATIONS

All horses attending EC sanctioned competitions must have been administered Equine Influenza and Equine Herpes Virus (1 and 4) vaccinations within six (6) months (+21 days grace period) before arrival at the competition. No horse shall have received vaccination within seven (7) days prior to arrival at the event. Horses not in compliance with this rule may be asked to leave event site at the discretion of competition management.

The frequency of vaccine administration should be as recommended by the vaccine manufacturer or veterinarian. It is recommended that vaccines be administered by or under the direction of a veterinarian. Competition management may request supporting documentation confirming a horse's compliance with mandatory vaccination requirements. In the case of a horse that is unable to receive either of the vaccines, a letter must be provided with the entry form from a veterinarian, on official letterhead, stating the equine cannot be vaccinated due to medical concerns. At the discretion of competition management, a log of the horse's temperature prior to arrival at the event site or during the event can be requested.

All horses attending Equestrian Canada sanctioned competitions must have met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations

I hereby certify that every horse listed on this entry form has met the requirements of Article A519, Vaccinations. See Rules of Equestrian Canada, Section A, General Regulations, Article A519, Vaccinations.

AHA ENTRY AGREEMENT

I have read the rules concerning competitions as printed in the Arabian Horse Association (AHA) Handbook / Directory and Competition Prize List and agree to be bound by and subject to those Rules.

AHA ASSUMPTION OF RISK, RELEASE AND INDEMNIFICATION This document waives very important legal rights. Read it carefully before signing.

In consideration for AHA permitting me to participate in this Competition, and by signing the entry blank, I agree as follows:

I AGREE that I choose to participate voluntarily in this Competition, as a rider, driver, handler, lessee, owner, agent, coach, trainer, junior exhibitor, or as a parent or guardian of a junior exhibitor. **I AM FULLY AWARE AND ACKNOWLEDGE THAT HORSE SPORTS AND PARTICIPATION IN THIS COMPETITION INVOLVE SERIOUS RISK OF HARM INCLUDING, BUT NOT LIMITED TO, RISKS OF ACCIDENT, SERIOUS BODILY INJURY, INCLUDING DEATH, BROKEN BONES, HEAD INJURIES, TRAUMA, PAIN, AND SUFFERING, AND PROPERTY DAMAGE. I ASSUME ALL RISKS OF HARM TO ME, MY HORSE OR MY PROPERTY.**

I AGREE as a Horse Show Participant (or Parent/Guardian of Participant if a minor) to waive all claims which may otherwise arise from, including but not limited to infectious bacteria, viruses, fungi/mold, parasites or other agents which may be present at the Horse Show (and most other outdoor locations) and can cause infection in humans, as well as in animals.

I AGREE for myself, my heirs, executors, administrators, successors and assigns to release AHA, the Competition, the facilities leased by the Competition and the owner(s) of the facilities, and all of their respective officers, officials, directors, employees, agents, personnel, volunteers, affiliated organizations and insurers (collectively, the "Released Parties") from any and all claims for damage, loss, or injury to myself, other persons, horses or other property belonging to me to the fullest extent permitted by law that arises out of or relates in any way to the Competition and my participation in the Competition INCLUDING, BUT NOT LIMITED TO, DAMAGES, LOSS, OR INJURY RESULTING FROM ANY ACTS, FAILURE TO ACT, NEGLIGENCE OR NEGLECT OF OTHER ENTRANTS, THE RELEASED PARTIES, THEIR CONTRACTORS OR INVITEES, as well as for theft, vandalism, fire, other casualty damage, or damage arising out of any defects in the premises.

I AGREE to indemnify and hold harmless (that is pay all losses, damages, attorneys fees and costs of) the Released Parties from and against any and all claims, demands, penalties, actions, losses, costs, damages, injuries, liabilities and obligations (including attorneys fees) of whatsoever kind and nature, which may be asserted against or incurred by any of them as a result of (1) my participation in the Competition or (2) any act, failure to act, or neglect (a) by me, my agents, employees, riders, handlers, trainers, coaches, drivers, contractors or invitees, or (b) by any animal owned or exhibited by me or in my custody or control.

I AGREE and represent that I am qualified and eligible to enter and/or participate in the Competition, and every horse I am entering is qualified and eligible as entered.

I AGREE to accept AS FINAL any decision of AHA, the Show Commission or Show Officials concerning my qualification or the qualification of my horse to enter the Competition or any results of the Competition, except to the extent that the Rules of AHA, the Competition, EC or USEF Equestrian permit a protest or hearing of such decisions. Should a hearing be requested, I agree to accept AS FINAL the decision of the particular hearing body. I agree to release, hold harmless and not to sue AHA, the Competition Sponsor, their officers, directors, employees, volunteers or members concerning any decision of AHA, the Competition, its Show Commission, Show Officials or any hearing body that relates to my qualifications or my horse(s)' qualifications to enter the Competition or any results of the Competition.

I AGREE that AHA has the sole right to control, sell, supervise or give away (or assign to others the right to do so) the exclusive rights to broadcast, televise, reproduce, transmit and disseminate all or part of this event, and I agree that AHA may use or assign, in any way AHA sees fit, photographs, films, videos, audios, cablecasts, or other likenesses of me and my horse taken during the course of the Competition for the promotion, coverage or benefit of the Competition or AHA. Those likenesses shall not be used to advertise a product and they may not be used in such a way which implies endorsement of any company, product, product category or service. I hereby expressly and irrevocably waive and release any rights in connection with such use, including any claim to compensation, invasion of privacy, right of publicity, or to misappropriation.

By signing below as a parent or guardian of a junior exhibitor, I consent to the child's participation and agree to all of the above provisions, and further agree to assume all of the obligations of this personally and on behalf of the child.

This AHA Assumption of Risk, Release and Indemnification is governed by the Laws of the State of Colorado and is intended to be interpreted as broadly as possible. I agree that exclusive jurisdiction and venue (place) for any legal action against AHA, its officers, directors, employees, volunteers or agents shall be in the local district courts or the federal court of the State of Colorado. If any part of this agreement is determined to be unenforceable, all other parts shall remain effect.
