  - b. An Open Performance Class will be split if there are at least **22** horses properly entered in that class. If a split is necessary, the class will be divided into 2 equal sections that run back-to-back in the location where the undivided class is scheduled. The championship class will immediately follow the sections.
  - c. Announcement of any classes to be split will be made following the close of entries each evening.

17. **NO SHOWS:** A **\$50** penalty will be assessed for a “no show”. If you have entered a class and are not going to show in that class, you must notify the Show Office and Gate personnel before that class enters the ring, or you will be charged the “no show” penalty fee.

  - a. If due to injury, death, or conditions beyond the control of the exhibitor, a horse that has been entered is not brought to the show, the rented stall for this animal shall automatically revert back to Show Management. Under no circumstances may this stall be retained for use as a tack stall or for use by another exhibitor without prior consent of the Show Manager. Exhibitors wishing to be stabled together must mail their entries and stall requests in the same envelop. Discretion may be exercised by Show Management in regard to stabling placement.
  - e. Stall assignments will be made in the following order for entries whose payment has been made in full by close of pre-entries:

      3. Large blocks of stalls may become available from time to time and Region 10 will try to keep these blocks intact. The stalls will be assigned by request and their assignment is the sole discretion of Show Management. Past patronship, past participation at the Region 10 Championship Show as well as previous stabling location will be factors in determining the new occupants.
    - ii. Championship Class Sponsors (Paid in full by close of pre-entries)
    - iii. Members of the Region 10 Show Committee
    - iv. All other paid stall orders

**Judges/Judging Systems:** All regional championship classes will be judged by a panel of three (3) judges and will be scored using the AHA Approved Majority Opinion System (MOS) with the exception of Reining, Reining Seat Equitation, Trail and individually judged Ranch Horse Classes where one judge will adjudicate. The first named judge is the call judge for that class.

**Split Classes:**

An Amateur or Equitation Class **that has not already been split by age** will be split if there are at least 18 horses properly entered in that class. If a split is necessary, the class will be divided by exhibitor age into separate championships that will be held back to back in the location where the undivided class is scheduled. If an age split class has at least 18 horses properly entered, the class will be split again by age and held as two championship classes.

An Open Performance Class will be split if there are at least 22 horses properly entered in that class. If a split is necessary, the class will be divided into 2 equal sections that run back to back in the location where the undivided class is scheduled.
