General Rules & Information

Dressage and western dressage classes may not be scheduled in order shown. Depending on number of entries, this class schedule may be altered. Ride times will be emailed to exhibitors. Responsibility for acquiring the ride times remains with the exhibitor.

Current western dressage tests will be used. **Show management reserves the right to limit rides over four per horse.** Show management will schedule ride times between approximately 8 AM and 4 PM on Sunday. This will determine the approximate number of rides to fill each day and complete a class. In the event the rides are overfilled, there will be a waiting list established for scratches by a new rider/horse combination to fill that time slot. Scratches will be filled on a first come first serve basis to fill the slot in the particular class. **Post entries western dressage will not be accepted after the official entry closing date listed in this prize list unless to fill a scratch.** If you do not show up for an assigned ride time, this Competition reserves the right to scratch you from all remaining dressage and western dressage rides and offer them to other exhibitors. If you are unable to show or choose to scratch, notify the **secretary** immediately. If you do not scratch *prior to the start of your class*, you will be charged a \$20 scratch fee

WESTERN DRESSAGE SUITABILITY: To confirm that the horse's muscles are supple and loose, and that it moves freely forward in a clear and steady rhythm with a look of forward impulsion with purity of gaits, and accepting light contact with the bit. The horse should show lightness of the forehand and engagement of the hindquarters. Resistance and tension of the horse is to be penalized. The horse's potential as a Western Dressage mount is to be considered. Horses to enter at a working jog, in a counter clockwise direction. Horse must perform all gaits both ways of the ring. Gaits shall be the working walk, working jog, and working lope. Free walk on a loose rein with horse stretching forward and down to be performed in at least one direction. Transitions into and out of the lope will be called for through the working jog. Horses will be asked to reverse direction at the working jog or working walk at the judge's discretion. Jog work may be ridden sitting or posting. In the lineup, horses must stand quietly and may be asked to back individually or as a group. To be judged: 70% on performance of gaits and transition, with attention to impulsion and submission, and using the objectives above as reference; and, 30% on the rider's position, seat, and effective use of aids.

WESTERN DRESSAGE HACK: Once a horse has been entered and shown in a Western Dressage Hack class, that horse may not subsequently be shown in a Western Dressage Suitability class. In addition to the objectives as defined in WD135 Dressage Suitability Objectives, horses should begin to show more pushing power and show progression towards a degree of balance and throughness. The horse should be light on the bit. A greater degree of straightness, bending, suppleness and throughness is required. There should be a clear distinction between the gaits (working and lengthening). The horse's ability as a Western Dressage mount is to be highly considered. Horses to enter at the working jog, sitting or rising, in a counter clockwise direction. Horses must perform a working walk, working jog, working lope, and a lengthening of strides at the jog and lope both ways of the arena. Free walk on a long rein with the horse stretching forward and down to be performed in at least one direction. A back of four (4) steps may be asked for as a group on the rail or individually in the lineup. Transitions into and out of the lope will be asked for through the working jog. Horses will be asked to reverse directions at the working jog. Jog work to be ridden sitting or rising. To be judged 70% on performance of gaits and transitions, with attention to impulsion, submission, and using the objectives as referenced above (WD140); 30% on the rider's position, seat and effective use of aids.
