HALTER CLASSES/BREEDING/IN-HAND – COMPARATIVE JUDGING SPECIFICATIONS

Class procedures for AHA Recognized Shows Comp 815 (Does not include Sport Horse In Hand classes)

- 1) Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated. The horse shall enter at a trot, and at the handler's discretion may either proceed directly along the rail or trot a counter-clockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring, the horses shall be asked to walk collectively counter-clockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse "on deck" shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counter-clockwise down the rail. They shall resume their position on the rail.
- 2) Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses.
- 3) After the last horse is presented, judges will have a period of time to finish their evaluation of entries and turn in their card (the specific time period to be determined by Show Management)

HALTER CLASSES/PERFORMANCE HALTER – ARABIAN OR HA/AA PERFORMANCE HALTER SCORE SHEET WILL BE USED:

Horses qualifying via Endurance or Competitive Trail must present dated proof of completion to the show secretary.
