General Virtual WDAA Show Rules:

- Same rules apply as if you were at regular WDAA Horse Show – USEF/WDAA Rule Governed
- Videos of tests must be unedited from start to finish. They must be one continuous recording.
- After entering the arena, prior to beginning the test a sign must be held up showing the name of the show, date of the show and horse's name. The sign must be held in the top right corner of the frame so it will not interfere with the view of the center line for the judge. Remove the sign just before beginning the ride.
- Ridden tests may be submitted to ONLY ONE online show. A video of a test/ride from another competition that has already been judged must be eliminated. Any video suspected of having been filmed during another competition will not be scored.
- As soon as the test is finished, the camera must circle the horse and rider showing equipment and attire.
- Following equipment check, the rider will dismount and drop the bit so it can be recorded.
- The test must be videoed from C, where the judge would normally be seated.
- The test may be called. The caller is to be positioned at B or E.
- Coaching during the test is not allowed.
- The natural background sound for the test must be audible. Tests with no sound at all will not be accepted.
- Bridle or saddle pad numbers are not allowed.
- Horse/Rider combination may only enter two consecutive levels at a single competition. Example:

Competitors may ride both Introductory and Basic level OR Basic level and Level one in one show, but they may NOT ride Introductory level and Level One tests in the same show.

- Legal attire can be as simple as jeans, western type shirt and western type boots, and a cowboy hat. An ASTM SEI approved riding helmet is also correct and does not need to be of western type. A simple western saddle and western type bridle with a simple snaffle bit are correct and legal for ALL levels of Western Dressage. A Hackamore (Bosal) is permitted on a horse of any age at any level.

Important notes:

1. This show is WDAA (Western Dressage Association of America) Recognized.
2. Tying a horse's tongue down in any way is prohibited and will result in elimination.
3. A saddle must be used. No bareback riding is allowed.
4. Ear nets are permitted.

WHAT IS WESTERN DRESSAGE ASSOCIATION OF ILLINOIS?

What is WDAIL? The mission of the Western Dressage Association of Illinois (WDAIL) is to provide venues, forums, and resources for riders of all horse breeds to learn to improve balance, cadence, and carriage of both horse and rider. Our goal is a happier, more sound horse, and more aware and knowledgeable rider. Achieving these goals is a journey of technique, learning, growth, practice, and patience. WDAIL High Points are based on the average score of three tests from three different judges. Join us as we celebrate the legacy of the American West. *"It's about the Journey!"* For more information on WDAIL go to:

What is WDAA? The Western Dressage Association of America is an Educational Not for Profit with a 501c3 status. Our primary focus is on education about and the promotion of Western Dressage. The United States Equestrian Federation (USEF) has recognized WDAA as the sole affiliate representing the discipline of Western Dressage.

The USEF Western Dressage rules are a wonderful educational tool that highlight gait descriptions, movements, goals and objectives -- all of which lend themselves to a progressive learning and training program, regardless of intent to show or ride in another discipline. They are mindful of the mission of the WDAA, in which we honor the horse and provide a safe, comfortable and fair environment to explore the discipline.

ENJOY THE JOURNEY!
