On Sunday join the group for an 8:00 classroom session on the levels, geometry of the arena and basic rules for competition. After this session 8 riders have the opportunity to ride with higher accuracy. Monday and Tuesday 10 riders will work with Lynn in 2 groups. The clinic will follow a succession to improve rider and horse at their current level or prepare for their next level.

Lynn will offer tips to grow your scores through corrections in rider's position and balance, use of aids or improving horse's balance. With a conclusion at the end of the day, a dedicated time to Questions and Answers for all aspects of western dressage is your chance to collect information you need to host an event, compete, instruct, or coach.
